

AT LAST, A TEAM APPROACH TO SPINE

SpineNevada Overview

James J. Lynch, MD, FRCSI

Board-Certified Neurosurgeon

Fellowship-Trained Spine Surgeon

Dr. James Lynch is a board-certified neurosurgeon who specializes in complex spine surgery, cervical disorders, degenerative spine, spinal deformities, trauma, tumor infection and minimally invasive spine surgery. He has been elected to "Best Doctors of America" and received the "Top Neurosurgeons in US" award by consumer report. Dr. Lynch has been selected for Becker's Orthopedic & Spine Review's list of "50 of the Best Spine Specialists in America". Dr. Lynch is one of a handful of spine surgeons with three fellowships in the specialty of spine surgery. He has also served as Chief of Neurosurgery at St. Mary's Hospital. Dr. Lynch has been published in leading journals including: Spine: Journal of Neurosurgery and Neurosurgery.

He earned his medical degree from Trinity College in Dublin, Ireland, followed by a residency at the Mayo Clinic in Rochester, MN. Dr. Lynch went on to complete a spine fellowship at the National Hospital for Neurology and Neurosurgery in Queens Square, London, UK, followed by a spine fellowship at Mayo Clinic and an additional spine fellowship under Volker Sonntag, MD, at the prestigious Barrow Neurological Institute in Phoenix, AZ. As a leading authority on Ambulatory Surgery Center (ASC) development, Dr. Lynch lectures at national meetings on outpatient spine surgery. He serves as Chairman and Director of Spine Programs at Surgery Center of Reno. Dr. Lynch is the founder of SpineNevada.

Jonathan D. Burns, MD

Board-Certified Physical Medicine & Rehabilitation

Fellowship-Trained Interventional Pain Management

Dr. Burns joins SpineNevada after completing an interventional Spine and Musculoskeletal Medicine Fellowship at The SMART Clinic in Sandy, Utah. Dr. Burns specializes in the assessment, diagnosis and non-surgical treatment of back and neck pain problems. He is proficient in EMGs and pain-relieving spinal injections. Dr. Burns earned his undergraduate degree at The Johns Hopkins University at Baltimore and his medical degree at New Jersey Medical School at Newark. He completed a residency in Physical Medicine and Rehabilitation at Temple University Hospital in Philadelphia, where he also served as clinical instructor, elective coordinator and research coordinator. He is a member of the American Academy of Physical Medicine and Rehabilitation and the Physiatrix Association of Spine, Sports & Occupational Rehabilitation.

Lisa M. Pitino, DO

Board-Certified Physical Medicine & Rehabilitation

Fellowship-Trained Interventional Pain Management

Dr. Pitino joins SpineNevada after completing a Pain Management Fellowship at the University of Texas Health Science Center at San Antonio. Dr. Pitino specializes in the assessment, diagnosis and non-surgical treatment of back and neck pain problems. She is proficient in EMGs and pain-relieving spinal injections. Dr. Pitino earned her undergraduate degree at the University of California at Santa Barbara and her medical degree at Touro University College of Osteopathic Medicine in Vallejo, California. She completed a residency in Physical Medicine and Rehabilitation at the University of Texas Health Science Center at San Antonio. She is a member of the American Academy of Physical Medicine and Rehabilitation and the Physiatrix Association of Spine, Sports & Occupational Rehabilitation.

SpineNevada takes a multidisciplinary approach to spine, incorporating the expertise of

fellowship-trained spine surgeons that are proficient in complex spine surgery and minimally invasive spine surgery;

physical medicine and rehabilitation physicians that specialize in nonsurgical relief of back and neck pain

and spine-specialized therapists that use hands-on techniques and customized exercises that return back and neck pain sufferers to activity.
